Re Proposed Old Ferry Landing

Spoil placement Parking and road access

The marina will be accessed by existing 643' Swoope Rd off of Intracoastal Park Rd. Swoope Rd is an existing private, aggregate covered road.

Proposed dredge spoil of approximately 2400 cubic yards will be permanently placed along existing 350' x 20' rip-rap bank adjoining marina. This bank is at 10' elevation and a designated spoil area since the original dredging of the GIWW
